Locum insurance – great value guaranteed

Our flexible approach to locum insurance means your policy can be tailored to meet your specific needs.

Your premium will be based on

- Your chosen Level of Cover
- Whether you want annually renewable or permanent cover
- The weekly sum insured you choose between £200 - £3,000* per week
- The deferment period you select - from 2 , 4, 8, 12, and 26 weeks
- The benefit period you select - generally 52 weeks but can be shorter if required, for example 13, 26 or 39 weeks
- The number of people insured - if there are at least three of you who need cover you will receive a group discount

*Benefits in excess of £3,000 per week can be considered on request.

We **do not** base your premium on your age or sex, so you **won't be charged more** as you grow older.
