The case for locum insurance

It's a tough decision: should I spend my hard earned money on insurance premiums?
Is locum insurance really necessary?

Here's why it works!

Put yourself in the position of one of our clients: a rural GP practice with 3 partners.

Practice moved to us after years of increasing premiums with another provider

They immediately saved almost **50%** on their annual premium

Soon after, we then paid **over £18,000** to cover a doctor's absence following a road accident

Claim did not affect renewal premium, **it stayed exactly the same!**

"The Partners at our Surgery were impressed. The premiums quoted for this permanent cover were thousands of pounds cheaper than our existing insurer and remain so. We are very happy with the product and service we have received from Practice Cover."

Ian, PM - Cornwall.
